[Caution]: We would encourage you to open this workshop to your parish in the following way. Friday night could be open to anyone, perhaps even those from neighboring parishes. However, Saturday's teaching and work should be open ONLY to those that attended Friday night (and possibly only to St. Pius X parishioners and staff). Friday night will be imperative to the work that we do on Saturday. We would strongly discourage people from coming for only Saturday when we discuss the specific ministries and activities of St. Pius X.
